

# New 110V Energizer Line

We've taken everything we love about our Energizers and hit the refresh button. The result? Extended mileage with the same unbeatable quality at a competitive price.

- **Full Line** - higher power output at each price point.
- **Robust and Reliable** - Made to last with a tough, attractive outer casing and all the latest technology.
- Simple **"Plug and Play"** installation
- **UL Certified**
